

Project Development Phase Model Performance Test

Date	10 February 2025
Team ID	PNT2025TMID02713
Project Name	Project - Power BI Inflation Analysis Journeying Through Global Economic Terrain
Maximum Marks	

Model Performance Testing:

Project team shall fill the following information in model performance testing template.

S.No.	Parameter	Screenshot / Values
1.	Data Rendered	
2.	Data Preprocessing	
3.	Utilization of Data Filters	

4.	DAX Queries Used																					
5.	Dashboard design																					
6	Report Design	<table><tr><th>Section</th><th>Description</th></tr><tr><td>1. Introduction</td><td>Overview of the project and objectives.</td></tr><tr><td>2. Problem Statement</td><td>Identifies the key issues related to inflation.</td></tr><tr><td>3. Research & Analysis</td><td>Data collection, processing, and insights.</td></tr><tr><td>4. Methodology</td><td>Tools, techniques, and approach used.</td></tr><tr><td>5. Dashboard Design</td><td>Structure, visual elements, and KPIs.</td></tr><tr><td>6. Performance Testing</td><td>Speed, scalability, and optimization strategies.</td></tr><tr><td>7. Results & Insights</td><td>Key findings from the analysis.</td></tr><tr><td>8. Conclusion</td><td>Summary and overall impact of the project.</td></tr><tr><td>9. Future Scope</td><td>Possible improvements and next steps.</td></tr></table>	Section	Description	1. Introduction	Overview of the project and objectives.	2. Problem Statement	Identifies the key issues related to inflation.	3. Research & Analysis	Data collection, processing, and insights.	4. Methodology	Tools, techniques, and approach used.	5. Dashboard Design	Structure, visual elements, and KPIs.	6. Performance Testing	Speed, scalability, and optimization strategies.	7. Results & Insights	Key findings from the analysis.	8. Conclusion	Summary and overall impact of the project.	9. Future Scope	Possible improvements and next steps.
Section	Description																					
1. Introduction	Overview of the project and objectives.																					
2. Problem Statement	Identifies the key issues related to inflation.																					
3. Research & Analysis	Data collection, processing, and insights.																					
4. Methodology	Tools, techniques, and approach used.																					
5. Dashboard Design	Structure, visual elements, and KPIs.																					
6. Performance Testing	Speed, scalability, and optimization strategies.																					
7. Results & Insights	Key findings from the analysis.																					
8. Conclusion	Summary and overall impact of the project.																					
9. Future Scope	Possible improvements and next steps.
