The screenshot displays a Power BI report titled "Inflation Analysis: 1980 to 2024". The report is presented in a dark blue theme. The main content area contains a list of bullet points summarizing inflation data. The interface includes a top navigation bar with tabs for File, Home, Insert, Modeling, View, Optimize, and Help. The Insert tab is currently active, showing various visualization options. On the right side, there is a "Visualizations" pane with a search bar and a list of visualization types. Below this, the "Data" pane shows the data source "global_inflation_data (2)". The bottom status bar indicates the report is on "Page 2 of 2" and shows the current date and time as "19:44 13-03-2025".
